

CENOZON

InstantChart™

Powered by  peak AI

Chart volumes in less than a minute.

100 X FASTER

NO MORE SCANNING CHARTS. NO MORE MIDDLE MAN. NO MORE WAITING.

InstantChart™: The chart data app that's as fast and simple as it is accurate and consistent. Simply choose the meter, verify dates and times, submit a photo, and let InstantChart™ do the rest—instantly.

A CHART-READING REVOLUTION

Forget chart integration. This is chart innovation, right at your fingertips. Peak AI's InstantChart™ gives you the flexibility to take control and match your workflow.

HOW INSTANTCHART™ WORKS.

Using Peak AI's patent-pending computer vision algorithm, InstantChart™ automatically captures and digitizes chart readings and volumes in minutes.

1. Open the InstantChart™ app on any device or operating system
2. Choose the meter; verify dates and times
3. Take a photo or scan the chart and submit
4. Receive AGA-calculated volumes in a minute or less

HOW MUCH TIME & MONEY WILL YOU SAVE?

THE INSTANTCHART™ ADVANTAGE

100 TIMES FASTER THAN THE OLD WAY

| THE OLD WAY | THE INSTANTCHART™ WAY |
|--|---|
| TAKE THE CHART Remove chart, travel to office, scan or mail the chart | TAKE A PHOTO Take a photo of the chart using your phone |
| WAIT 14 DAYS Third party chart reading technician manually collects, distributes, scans and verifies physical charts, and then validates and associates the info to proper fields and meters | WAIT 1 MINUTE Software auto-reads data volume and creates run reports for export as spreadsheets or PDFs, and saves data to the cloud |
| VIEW THE CHART Only after it has been processed | VIEW THE CHART Any time on any device |

"InstantChart™ gives us the perfect balance of quality, performance and cost savings needed to succeed in a very competitive environment."

– Olen Douglass, Thurmond-McGlothlin (TM-EMS)

INCREDIBLE CUSTOMER SUPPORT

InstantChart™ offers solid technology that's dependable and easy to use, but when you have questions or need customizations, Cenozon offers fast, helpful support.
